

Virtual Modelling and Rapid Manufacturing presents essential research in the area of Virtual and Rapid Prototyping. It contains reviewed papers that were presented at the 2nd International Conference on Advanced Research in Virtual and Rapid Prototyping, held at the School of Technology and Management of the Polytechnic Institute of Leiria, Portugal, from September 28 to October 1, 2005. The volume covers a wide range of topical subjects, such as medical imaging, reverse engineering, virtual reality and prototyping, biomanufacturing and tissue engineering, advanced rapid prototyping technologies and micro-fabrication, biomimetics and materials, and concurrent engineering

Psychotherapeutics: A Symposium (Classics in psychiatry), Adventures of Superman, Edition# 548, Scenes from a Masked Ball, Op.3 (Papillon (No.4) – for cello and orchestra): Percussion part (Qty 7) [A4166], Activating the Creativity of the Occupational Health Nurse (Resources Occasional Paper), Variations and Fugue on a Theme of Mozart, Op.132: Oboe 1 and 2 parts [A1906],
