

Scum of the Galaxy (The Rocketeers) (Volume 2)

Sentenced to penal servitude on the prison planet Scartaris, Gerald and his friends find themselves in their worst predicament yet. Incarcerated on the planets permanent dark side, they are forced to work in the food mines, producing the raw materials necessary for the creation of synthetic protein. Snowy mountains surround the labour camp on every side. Even if they escape, how will they survive in the icebound wilderness of Scartaris? And will they ever return to Earth?
