

Life. Be There at Ten Til.:A Collection of Homegrown Wisdom

Be accountable. Be responsible. Be on time. Or better yet, get there at ten til. You'll be all the wiser-and all the more content! This funny, insightful, life-affirming collection uses everyday moments-from the tobacco fields of South Carolina to red-carpet premieres in Hollywood-to demonstrate the value of showing up early, holding yourself accountable, welcoming change, nourishing others, and being fully present and engaged with life. A native South Carolinian, R. Dean Johnson delivers homegrown wisdom that's unassuming, gracious, and utterly charming. His uplifting, down-home life lessons include: Stop hiding behind answering machines, caller ID, and front-door peepholes: be there, and welcome the intrusion. Honesty is a good policy. Sometimes it's just not the best one. There's nothing like a good casserole to say, In time, you'll heal. But in the meantime, this will make you feel somewhat better. As a fellow Husky-wearing southerner, I really relate to Dean's anecdotes. This book is filled with lessons to never forget.-Ryan Seacrest, Host of American Idol
