

## MARRIAGE DEVOTIONAL: The 28 Day Marriage Challenge (Her Version)

Welcome to the 28 Day Marriage challenge (HER version). This is not your typical marriage self-help book. In fact, its not a self-help book at all... Its a book of small exercises. Each one, designed to strengthen the fabric of your love. It is a system, designed to help reboot your relationship and bring healthy changes to it. There are 28 different exercises in the book, one for each day of the month. Each exercise focuses on different aspects of life that involve relationships, ranging from love to forgiveness --laughter to respect. And, each one contains pertinent Bible readings to give Scriptural reference, as well as to serve as part of your daily morning devotional. It is a system that you go through with your spouse (who will be doing the same, only with the HIS VERSION). What each of you read from day to day will be different from what the other reads, but those differences in your readings will compliment each other. For example, on the day when its your turn to focus on apologizing, he will be focusing on forgiveness. When its his turn to focus on sharing something new with you, itll be your turn to focus on being a good listener.

I recommend you each doing your readings in the morning. That way, youll have the entire day to reflect on them. Youll have time to develop your thoughts and ensure they are filtered, carefully weighed, and ready to be expressed in the best possible way. This marriage calendar can (and will) strengthen any relationship, so long as you are intentional and serious about applying the exercises in it. Grow your marriage... with Christ at the center!
