

I have spent most of my life in New Jersey, but the blood of a geisha courses through me yet. If Kiki Takehashi's life is dramatically different from that of her reserved Japanese-American mother, it is light-years away from that of her grandmother, whom she knows only through old family stories. Kiki has recently become engaged to Eric, a handsome, successful New York City lawyer. But at the same time she is haunted--quite literally--by the memory of her friend Phillip, killed the previous year in a mountaineering accident. Kiki has never met her grandmother Yukiko, for whom she is named. Still, thoroughly American though she is, she feels a secret kinship with her. Kiki is swept up by the story of this strong, proud, passionate woman who, against all odds, in a time and place far different from her own, was sold by her impoverished family, became a famous geisha, and found the love that has so far eluded the rest of the Takehashi women. Lyrical, haunting, and stunningly evocative, *One Hundred and One Ways* introduces a powerful and exciting new voice in contemporary fiction. From the Trade Paperback edition.

Human Relations - The Art and Science of Building Effective Relationships, Blade: The Vampire-Hunter (1994 series) #3, Bergrichters Erdenwallen (German Edition), Superman Vs. Aliens Book 1, Dying into Life, The Ray #4,
