

Eighty million Boomers are now marching off the precipice called retirement. Close behind them are the Gen Xers, entering their own second half-century. For a huge number of seniors, the sweet dream of retirement has become an empty promise. Millions have resigned themselves to a slow, insidious erosion of their power and self esteem. MASTERY is a mission plan for reclaiming YOUR power and self esteem. MASTERY debunks the myths of age and ability and shows how--at any age--you can: * Dramatically improve your health and fitness* Learn a new language* Learn to fly, meditate, juggle, cook, play a musical instrument* Write a book and see it published* Read 1000+ words per minute and retain what you learn* Travel the world with a new zest for adventure* Run, race bikes, build new muscle* Overcome arthritis, sarcopenia, memory loss* Launch a micro business
