

Things My Mama Said

LET'S MAKE SLAW AND OTHER WITTY WORDS OF WISDOM from My Mama, Tam Barker, the most intelligent person I have ever met. She was my Internet before there was the Internet. If I needed an answer to any question, all I had to do was call her and ask. She immediately gave me the correct answer. This loving memorial to Mama is filled with inspiration to help you get through the events in your life that try to pull you down. It is also a great gift for family, friends, and co-workers who need encouragement in our troubled world.
